

Church-wide education would be easy, if you could be in four places at once.

With AM Bible Courseware™, you can be.

AM Bible Courseware is Moody Bible Institute curriculum on CD-ROM. Insert the disc and access your very own professor, personal library, and classroom. Take a course from a variety of study series. Follow the easy-to-use cross-referencing capabilities to a vast library of Bible study tools via Logos Bible Software. Take a quiz and view results immediately. Complete courses in an organized, personalized program. Whether you're a student, teacher, pastor, or ministry leader, AM Bible Courseware puts the power of a biblical education in your hands.
